## MARKET

### WHAT IF IT'S BAD WEATHER ON THE DAY

The Market is conducted in the open air and will operate in varying weather conditions including wet and windy weather. It is the responsibility of the Stallholder to bring their own covers and weights to hold down equipment and protect their stall and products in adverse weather conditions. The Market will NOT be cancelled in the event of wet weather but we may cancel in extreme weather conditions. The Market is not cancelled ahead of time. Stallholders are solely responsible to make a decision as to whether they will trade in bad weather conditions.

**If you are a Regular Stallholder.** We expect you to attend each week and your stall space will be held for you until 8.30am. If you decide not to set up, a \$10.00 cancellation fee will be payable. If you have pre-paid online, the balance will be credited to another day.

**If you are a Casual stallholder.** In the case of inclement weather and you elect not to trade, please make sure you re-book if you would like to trade the following week. Bookings are NOT automatically transferred. Prepaid stalls are charged a \$10.00 fee and the balance is transferred to the following week.

### **OTHER IMPORTANT OPERATIONAL ITEMS**

#### **Access to Power**

Power is not available to general stalls but a power point is made available to stallholders who need to demonstrate the working order of goods being sold. Our Manager will show you where it is.

#### **Rubbish & Waste**

All rubbish, waste and packaging must be taken away with the stallholder. Bins provided do NOT cater for stallholder rubbish. The stall site must be left in the condition it was found.

#### **What equipment should I bring?**

Chairs, display equipment, table covers & tent (with weights)

#### **What does it mean to be a Regular Stallholder and how do I become a Regular Stallholder?**

If you are a Regular Stallholder you do not need to book each week. A fixed stall space is held for you unless you cancel beforehand. Your Regular Stall will be held for you until 8.30 am on Market Day. After this time, the spot may be given away to Casuals or Standbys.

A Regular Stallholder has the advantage of a fixed regular position, so customers can get to know where to find you and you can then build your repeat customer base. Regular Spots are generally the best locations in the Market and most of these spots allow stallholder to drive their vehicles up to their stalls to unload.

Please note that paying a Stall Fee or becoming a Regular Stallholder does create any form of legal or equitable tenancy, or imply any future legal right/s or license.

If you wish to become a Regular Stallholder, please speak to the Manager. We will review your stall and consider whether it may be included in the mix of stalls and stallholders who are already Regulars.
