STALLHOLDER INSURANCE

Regular and Regular Casual Stallholders MUST have their own cover.

If you are a 'Regular Stallholder' or a 'Regular Casual Stallholder' as described below, you MUST have in place a public and product liability policy with a minimum of \$10,000,000 cover for each insurable event in the Stallholder's name with the Manager's interest noted on the policy.

A copy of the Insurance Certificate of Currency must be supplied to the Manager before you may trade at the Market. It is the responsibility of the stallholder to ensure that the insurance is renewed and remains current for the term that the stallholder undertakes trading activity at the Market.

Casual Stallholders

If you are a 'Casual Stallholder', it is also preferable that you have your own insurance cover.

If you do NOT have stallholder insurance cover, you may attend the Market and the Market Public and Product Liability Insurance cover will extend its cover to you, subject to this policy's various exclusions.

Your stall fee will be increased by \$10.00 if you do not have your own cover.

A copy of the terms of this insurance policy is available on written request by the Stallholder to the Manager.

Please either email the policy certificate to our office or bring a copy of your public liability insurance certificate and show it to the staff when you are being allocated a stall.

What is a Regular Stallholder?

If you are a Regular Stallholder, you do NOT need to book each week. A fixed stall location is held for you unless you cancel beforehand. Your Regular Stall will be held for you until 8.30 am on Market Day. After this time, the spot may be given away.

A Regular Stallholder has the advantage of a fixed regular position, so customers can get to know where to find you and you can then build your repeat customer base. If you wish to become a Regular Stallholder, please speak to the Manager.

What is a Casual Stallholder?

A Casual Stallholder must book and pay for a stall prior to attending the Market. You will be allocated a spot in the Market after you have pre-paid your stall fee online.

What is a Regular Casual Stallholder?

A Casual Stallholder is classified as a Regular Casual Stallholder after you have attended the Market 6 times in the current calendar year. After 6 attendances, you will be classified as a Regular Casual and must obtain your own stallholder public and products liability insurance.
